## TITLE I

### Mission

To support the implementation of Arizona's System of School Support in order to impact teaching and learning in K-12 classrooms so that educationally disadvantaged students achieve high academic success.

### Program Description

Title I, under the Every Student Succeeds Act (ESSA) of 2015, provides financial assistance to local educational agencies to meet the needs of special educationally disadvantaged children at pre-school, elementary, and secondary school levels. The purpose of Title I is to help all children achieve the state's academic standards. This is accomplished through supplemental programs that consist of instructional services, instructional support services, school wide reform efforts, and increased involvement of parents in their children's education.

### Standard VI:

## PARENTS RIGHT-TO-KNOW

As a parent of a student within the Lake Havasu Unified School District, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers, and requires us to give you this information in a timely manner if you ask for it. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

- Whether the Arizona Department of Education has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether the Arizona Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
- The teacher's college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees.
- Whether any teacher's aids or similar paraprofessionals provide services to your child and, if they do, their qualifications.
