

BACKPACKS FOR KIDS 2.0

IT'S THAT TIME AGAIN. 7TH ANNUAL DRIVE

About Us

Every year many families struggle with the expense of having to purchase back-to-school supplies, and this summer I am following in my older sister, Ciella's footsteps to help make a change. Over the past six years, she has filled over 1500 backpacks for students in our community, and I am not stopping there. This summer I hope to fill 200 backpacks, and I need your help. Like last summer, I will again be donating to each of the six Lake Havasu elementary schools and Thunderbolt Middle School.

♡ Saige Farley
